

Companies that cooperate with Huawei on energy storage projects

Huawei Digital Energy, Desay Battery, and Seg New Energy have announced strategic agreements that encompass commercial and industrial energy storage collaborations in regions such as Italy and Hungary, with orders exceeding 1 GWh. On July 29, Shandong Energy Group and Huawei Technologies Co., Ltd. signed a deepened strategic cooperation agreement in Shenzhen, marking a new phase of higher-level and broader collaboration between the two parties. Li Wei, Party Secretary and Chairman of Shandong Energy Group, held discussions. Three companies, including Huawei, have recently secured contracts, signaling a significant uptick in the European commercial and industrial energy storage market. As the world's second-largest market in this sector--trailing only China--the European commercial and industrial energy storage market is [Dubai, October 16,] Huawei Digital Power has concluded its Global Digital Power Summit in Dubai, UAE, with more than 500 participants from 67 countries attending, on October 16. At the summit, Huawei Digital Power and SEPCOIII Electric Power Construction Co. Ltd. (SEPCOIII) signed a Shenzhen, October 3, - GoldenPeaks Capital Holdings Limited (GPC), one of the largest leading independent power producer in Central Eastern Europe, and Huawei Polska Sp. z o.o., have signed a Memorandum of Understanding (MoU) on a Battery Energy Storage System (BESS) cooperation. The two Central and Eastern Europe-focused renewable energy firm GoldenPeaks Capital said today it has joined forces with the Polish arm of Chinese technology company Huawei to execute battery storage projects across Europe.
