

Huawei outdoor power supply warranty trap

What is Huawei warranty service? Huawei provides customers with a warranty service, which is a maintenance guarantee or quality assurance (QA) service, to ensure product quality within a specified period. If any product quality defects occur during the warranty period, Huawei will provide free services based on the specified service level and scope. Which products are covered by a Huawei warranty? The warranty must comply with local laws or other applicable regulations. All the warranty services are applicable only to Huawei-manufactured products. Non-Huawei products, including but not limited to components, software, and third-party operating systems installed on Huawei products are not covered by this warranty. Does Huawei smart PV have a warranty? The table above provides warranty descriptions for Huawei Smart PV's products, devices, and solutions. These descriptions reflect the general warranty services. However, in specific countries and regions, the warranty services and service level agreements (SLAs) may vary slightly due to local requirements. Is Huawei warranty transferable? All Huawei warranty is only applicable to the original Buyer in the country/region where the products are sold. The warranty is not transferrable to another country/region or another customer. The warranty must comply with local laws or other applicable regulations. All the warranty services are applicable only to Huawei-manufactured products. What is a Huawei outdoor power system? The ultra-lean structure enables 1 blade per site while keeping reliability, helping cut TCO and carbon emissions. Huawei outdoor power solutions are designed for carrier ICT sites. The all-in-one system supports multiple input (grid/PV/genset) and output (12/24/48/57 V DC, 24/36/220 V AC) modes. What is Huawei's compensation against buyer's loss under this warranty agreement? The parties hereby agree that Huawei's compensation against Buyer's loss under this warranty agreement shall only cover the direct and reasonable losses incurred, justifiable with evidences, to Buyer due to Huawei's fault or product issue. Overview of Huawei Digital Power Warranty Services If any product quality defects occur during the warranty period, Huawei will provide free services based on the specified service level and scope.
